Measuring

All agility dogs are required to have an Official Jump Height Card and must be able to present it if asked. Don't forget to bring your height card in case someone asks for it.

Our Judge, Karen Wlodarski, is a measuring official. ALL dogs (regardless of height) without a valid Jump Height Card or Yellow "Temporary Measurement" Form (for dogs under 2 years old) must be measured before their first run of the weekend. **Forms will be available at the table outside the trial secretary office. Please fill out a form before requesting to be measured.** Official Measurements can be done throughout the day. It is the exhibitor's responsibility to have their dog measured prior to running.

Check-In

(Armbands Not Required)

Pursuant to Chapter 1, Section 19 of the Regulations for Agility Trials (Revised July 2016), the club will not be requiring the use of armband stickers, so traditional check-in is not required.

No paper check-in will be required. We will be using the **Agility Gate App** for check-in on your phone.... See Page 2 for more information.

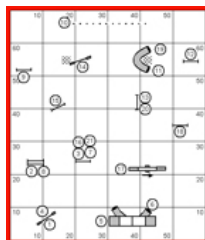

A running order will be posted at www.ntxagility.com 3-4 days prior to the first day of the trial.

CONCESSIONS...

Concessions will NOT be available. Please feel free to bring your own snacks, lunch and drinks.

Course Maps

Course maps will be posted at the trial site per AKC Agility Regulations. Please take a picture of the posted maps for access on your phone or tablet. Maps will also be posted on the Agility Gate App.

...for both days. We hope everyone can make it, but if you find out you have to miss, please let us know **NO LATER THAN NEXT SUNDAY, FEBRUARY 13 AT 6:00 PM**. If we can replace you with someone on the wait list, we can refund your entry fees for the runs you give up that can be given to someone else. We can replace people as long as the wait list lasts. Someone waiting in the wings will really appreciate it! **THANK YOU!**

We will be utilizing the **AGILITY GATE APP** for the exhibitors' convenience.

Agility Gate is a free-to-download app that allows competitors to check-in their dogs via their mobile phone or tablet at an agility show and keep track of the current state of the run orders. It helps prevent crowding around the gate and allows competitors to keep tabs on things while crating away from the ring or away from the show site.

The access code is 1010.

Course maps will be posted at the trial site. Please take a picture of the posted maps for access on your phone or tablet. Maps will also be posted on the Agility Gate App. Paper copies of the maps will not be available.

PLEASE BE AWARE....

Exhibitors are responsible for cleaning up after their dogs immediately on hotel/motel and show grounds. Motels/hotels require that dogs be crated when unattended; no bathing or grooming of dogs in guest rooms. Exhibitors/handlers are responsible for any damage to motels/hotels or the event site and may result in disciplinary action by the Event Committee. Entries may be refused in the future for previous misuse of the motel or show facilities. This is an AKC-supported measure.

PLEASE REMEMBER: Hotels do not have to allow us to keep our dogs in the rooms. We are all responsible for insuring future pet acceptance at our favorite hotels. Please clean up after your dogs (inside and outside), keep them quiet so as not to disturb other guests, and generally be considerate of others. We all want to continue to have nice places to stay when we travel with our dogs.
