If either form of entry (paper or online) has not filled at the end of the 48 hour time period, the club reserves the right to decrease or increase either one accordingly.

You can also find detailed instructions at: www.ntxagility.com

Hand deliveries cannot be accepted during the first 24 hours after the trial's opening

- Paper entries received within 24 hours of the opening date & time must: 1) include postage or be metered; 2) be delivered by a multi-state or multi-national postal or carrier service, including but not limited to USPS, FedEx, UPS & DHL. If above conditions are not met, the entries are not valid and must be returned to sender. You must waive signature requirements when using services that utilize signature verifications.
- Owners are responsible for ensuring that entry forms are completed in full. Entries submitted without ALL information will be returned as invalid.
- All entries must be submitted on official AKC agility entry forms, one dog per entry form. Photocopies of entry form will be accepted only if legible and official AKC size.

- Returned checks do not constitute a valid entry; no refund for duplicate entries. There will be a \$25 service charge for returned checks.

JUMP HEIGHT CARD PROCESS

A COPY OF THE DOG'S JUMP HEIGHT CARD IS NO LONGER REQUIRED TO BE SUBMITTED WITH YOUR ENTRY.

However, exhibitors are required to have the official form/card with them at the trial to present upon request.

The entry form has a section at the top of the form for exhibitors to designate if the dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record who is not a VMO (measuring official), that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

MOVE UPS

Dogs may be moved up to a higher class at the request of the owner, as a result of qualifying for an agility title, provided that the request is received in writing by the Trial Secretary, no later than 6 pm on the Monday preceding the event. (See the move-up deadline date on the cover of this premium). Day-to-day move ups are allowed provided the Trial Secretary is notified at the show site, in writing within 20 minutes of the last dog completing the course. Forms will be available at the show site.

Please email pre-trial move-up requests to the Trial Secretary at ntxagility@verizon.net on or before the deadline noted on the cover of this Premium.

No form is necessary, but please include the following information:

- Your first and last name
- Your dog's call name
- The class and jump height to which you would like your dog moved

ENTRY CONFIRMATIONS & JUDGING PROGRAMS

An email confirmation will be sent at the time of processing if a legible, valid email address is provided on the entry form. Additional confirmations will be emailed to acknowledge move-ups and corrections/changes (prior to closing). A final confirmation and the judging program will be emailed after the trial closes. If you cannot receive a Microsoft Word text file, or if you do not check your email, do NOT include your email address. Printed confirmations and Judging Programs are mailed to exhibitors without email addresses after the trial closes. **OWNERS/HANDLERS ARE RESPONSIBLE FOR REVIEWING ALL INFORMATION IN THE CONFIRMATION LETTER EACH TIME IT IS SENT AND CONTACTING THE TRIAL SECRETARY IMMEDIATELY IN WRITING (EMAIL) IF A CORRECTION/CHANGE NEEDS TO BE MADE. CORRECT AKC REGISTRATION # OR ILP # IS CRUCIAL.**

NOTE: If you have a spam filter in place on your email account, please add the trial secretary's email address to your accepted address list. If you are not receiving emails from the trial secretary, it is your responsibility to notify the trial secretary to reach a resolution.

Any exhibitor who does not receive a preliminary confirmation within 10 days of mailing a paper entry should contact the Trial Secretary to confirm receipt of paper entry.

Any exhibitor who does not receive the Judging Program within five (5) days prior to the trial, should contact the Trial Secretary. Always bring a paper copy of your confirmation letter to the trial. Corrections to the confirmation letter that are not brought to the trial secretary's attention at the time of receipt will render the database as the final authority for the day's information.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Entering For Exhibition Only (FEO)

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. **FEO is only allowed in the Time 2 Beat and FAST classes.** FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. **FEO does not need to be noted on the entry form; the handler will declare the day of the show.**

Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. **Day-of-show jump height changes are not allowed.**

- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. **Day-of-show level changes are not allowed.**
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring; toys must be non-audible; toys may not leave the handler's hand; toys that roll freely cannot be used.
- Food/treats are not allowed in the ring.
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.
