We will be utilizing the **AGILITY GATE APP** for the exhibitors' convenience.

Agility Gate is a free-to-download app that allows competitors to check-in their dogs via their mobile phone or tablet at an agility show and keep track of the current state of the run orders. It helps prevent crowding around the gate and allows competitors to keep tabs on things while crating away from the ring.

The access code is 1010

Course maps will be posted on the Agility Gate App each morning of the trial.

In the meantime, go here...

http://dogagility.info/agility_gate/

Please clean up after your dogs (inside and outside), keep them quiet so as not to disturb other guests, and generally be considerate of others. We all want to continue to have nice places to stay when we travel with our dogs.
