Check-In and Measuring Info...

All agility dogs are required to have an Official Jump Height Card and must be able to present it if asked. Don't forget to bring your height card in case someone asks for it.

The judge, Karen Wlodarski, is a measuring official. ALL dogs (regardless of height) without a valid Jump Height Card or Yellow "Temporary Measurement" Form (for dogs under 2 years old) must be measured before their first run of the weekend. Forms will be available at the ribbon-label table. Please fill out a form before requesting to be measured. If you already have a permanent height card, be sure to have it with you at the trial in case you are asked for it.

If your dog needs to be measured, it is your responsibility to have it done before you run. Failure to do so will result in removal of any qualifying runs you receive.

Check-In ARMBAND STICKERS NOT REQUIRED

Pursuant to Chapter 1, Section 19 of the Regulations for Agility Trials (Revised July 2016), DenTex will not be requiring the use of armband stickers, so traditional check-in is not required.

No paper check-in will be required. We will be using the **Agility Gate App** for check-in on your phone or iPad.... See Page 2 for more information.

Concessions Available

Concessions will be available for breakfast and lunch all 3 days

Pre-trial move-ups must be submitted to the trial secretary via email **no later than 6:00 PM Monday, May 3.** **Day-to-Day Move-Ups are permitted** if you fill out a move-up form (available at the check-in table) and give it to the trial secretary at any time, but no later than 20 minutes after the last dog crosses the finish line on Friday for a Saturday move-up or on Saturday for a Sunday move-up.

WANT TO HELP???

We need you!

Please email Volunteer Coordinator Volunteer coordinator:

Dana Brown - ddb@sbcbglobal.net

if you have questions before the trial. You may also sign-up at the trial. **The trial will run faster if we don't have to yell for volunteers.** It takes as many volunteers for a small trial as a big trial.

Volunteers receive \$3 coupon, good for future SPOTC entries or concession stand.

GO HERE AND SIGN UP WHERE YOU WOULD LIKE TO VOLUNTEER:

<http://tinyurl.com/SPOTC-Volunteers>

THANK YOU!!!!

Dogs may not be left in the building overnight.

We will be utilizing the **AGILITY GATE APP** for the exhibitors' convenience.

Agility Gate is a free-to-download app that allows competitors to check-in their dogs via their mobile phone or tablet at an agility show and keep track of the current state of the run orders. It helps prevent crowding around the gate and allows competitors to keep tabs on things while crating away from the ring.

The access code is 1010

Course maps will be posted on the Agility Gate App as well as at www.ntxagility.com each evening prior to the trial.

In the meantime, go here...

http://dogagility.info/agility_gate/

to read all about it, what it does, how to download it to your phone or tablet and how to use it.

**BE SURE TO CHECK IN EACH MORNING FOR ALL YOUR CLASSES!
IF YOU NEED TO BE MARKED ABSENT, YOU CAN DO THAT TOOFROM HOME!!**

IMPORTANT NOTICE - WE HAVE A WAIT LIST...

...on Friday and Saturday. We hope everyone can make it, but if you find out you have to miss, please let us know **NO LATER THAN SUNDAY, May 2 AT 6:00 PM.** If we can replace you with someone on the wait list, we can refund your entry fees for the Friday and/or Saturday runs you give up. We can replace people as long as the wait list lasts. Someone waiting in the wings will really appreciate it! **THANK YOU!** (We don't have a wait list on Sunday, so no refunds can be given for Sunday.)

COVID GUIDELINES

- We will be following all state, local and facility guidelines. (Keep in mind, these are constantly changing)
- Continue to practice social distancing consistent with current guidelines
- Everyone is **required** to wear masks at all times (except when running your dog.) Masks will be provided for anyone wanting one.
- Disposable gloves will be available for course builders, ring crew, & any other worker that desires them.
- Hand sanitizer and disinfecting spray bottles will be available throughout the arena.
- Bathrooms will be stocked with plenty of soap, hand sanitizer, and disinfecting spray bottles
- There will be no common use writing utensils. Please bring your own. The running orders will be on poster board. You will be allowed to check in before the board is placed at ringside, but you will have to use your own pen.
- We will be designating more crating room than in past years, so please try to keep crating spaces 6 ft apart
- There will be no MACH cakes or community-shared food items at the trial. There will be water & soft drinks provided for workers
- There will be no self-serve ribbons. We will have a volunteer putting the sticker on the ribbons for you. If you only want your sticker, you will be asked to take the ribbons, peel your sticker off, and then put the ribbons in a designated "return box". PLEASE NOTE: If you do not pick up your ribbon (stickers) each day, they will be put away. No ribbons from the previous days will be left out on the table. You will have to ask the ribbon volunteer to find yours for you.
- There will be a 6ft area marked off around the gate steward. Please do not go into this area! Once the running order is placed at the ring entrance, and the gate steward is in their designated space, he/she will be the only one to mark on the board. The gate steward needs to have their own pen to mark on the board. The gate steward will be in charge of getting the dogs in the correct order to enter the ring AND will open the gate for you. There will be a designated area for "on deck", in-the-hole", & "3rd in line."
- Leash runner will use a "grabber" to pick up leashes. Both the "grabber" and chair where the leash is placed will be disinfected after each run. Note: exhibitors may put their leash in their pocket or "wear" them (i.e. clip like a belt around the waist) during their run. Leash must fully fit in their pocket. Please be aware that if the dog grabs the leash while running this will be scored as an "E".
- The gate steward will be in charge of getting the dogs in the correct order to enter the ring.
- Course builders will be provided disposable gloves. They should make sure and wipe down the measuring wheel before and after use. They should not share course building maps with others.
- The scribe will place the score sheets in a basket. The score sheet runner will take the basket over to the trial secretaries, rather than handling each individual sheet
- Timer and scribe will sit at opposite ends of the table. Scribe should use their own pen for marking the scribe sheets. The table, chairs, and timing console will be wiped down with disinfectant after each group of workers.
- Briefings will be done over the PA system. Exhibitors do not have to come into the ring for briefing. Briefings will not be required for T2B, Premier and Excellent/Master level classes.
- Walk-thru group sizes will be reduced where necessary.
- Results will be posted on the walls (rather than in a single notebook). Please do not crowd around the results area! Daily results will also be posted each evening at www.ntxaqility.com.
- Course maps will be posted per AKC Agility Regulations. There will be no printed copies of course maps for exhibitors. Exhibitors may take a picture of the posted course maps. In addition to the course maps that are posted at the trial site, the trial secretary will post the maps each day to her website and they will be posted on Agility Gate.

Entries may be refused in the future for previous misuse of the motel facilities.

Complaints lodged against any exhibitor will be under the auspices of our Trial Committee and reported to the AKC. This is an AKC-supported measure.

PLEASE REMEMBER: Hotels do not have to allow us to keep our dogs in the rooms. We are all responsible for insuring future pet acceptance at our favorite hotels.
