It helps prevent crowding around the gate and allows competitors to keep tabs on things while crating away from the ring.

The access code is 1010

Course maps will be posted on the Agility Gate App each day of the trial.

In the meantime, go here...

IMPORTANT INFORMATION...

Exhibitors are expected to maintain hotel premises and their dogs in a quiet, clean and well-kept manner and for cleaning up after their dogs immediately on hotel/motel and show grounds. Motels/hotels require that dogs be crated when unattended; no bathing or grooming of dogs in guest rooms. Exhibitors/handlers are responsible for any damages to motels/hotels or the event site and may result in disciplinary action by the Trial Committee. Entries may be refused in the future for previous misuse of the motel facilities.

Complaints lodged against any exhibitor will be under the auspices of our Trial Committee and reported to the AKC. This is an AKC-supported measure.

PLEASE REMEMBER: Hotels do not have to allow us to keep our dogs in the rooms. We are all responsible for insuring future pet acceptance at our favorite hotels. Please clean up after your dogs (inside and outside), keep them quiet so as not to disturb other guests, and generally be considerate of others. We all want to continue to have nice places to stay when we travel with our dogs.
